
FAQ'S About the Red House Bible Church

What can I expect? Friendly people of all ages, who have gathered to worship Jesus Christ. Congregational, choir and special music, expositional preaching from the Word of God.

What about handicap access? Yes, our facility is equipped with handicap parking and a ramped access for those who need this assistance.

Should I carry or bring a Bible? Most of our members and attendees carry a Bible, while others use a smart phone or a tablet to follow along as our Pastor reads from the Bible. We also provide Bibles and occasionally put the text of Scripture up on our video projection system.

Is there a nursery and children's church? YES, we provide a nursery and a Jr. Church program for our morning worship time. Nursery age children should be dropped off in the nursery room in the lower level of our facilities. Jr. Church age children are dismissed from our service just prior to the preaching time. When you arrive, one of our ushers will gladly assist you in finding where the children should go.

How should I dress? We have those who attend our services in suits and then there are those who attend in a more casual attire. We have no dress code but modesty is appropriate, as we gather to worship "in spirit and truth."

Will I be required to give to the offering? Although we do receive an offering during our worship time, as a part of our worship, no person is REQUIRED to participate. ALL offerings are voluntarily given.

How long are the services? Our Sunday AM Service begins at 10:45 am and this service typically dismisses at 11:45.
